

Office of the Bronx District Attorney

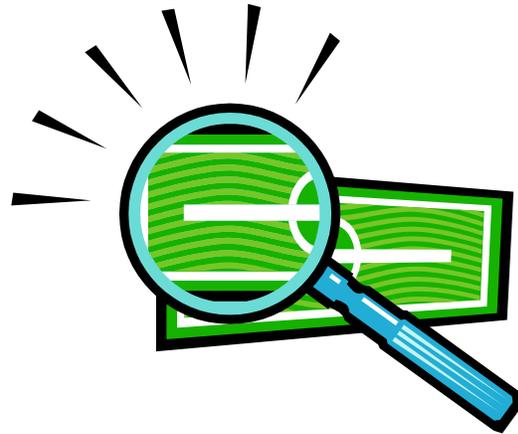

Community Affairs Unit

Presents

“Knock Offs”

Free Informative Workshop

*This workshop is an overview of intellectual property crimes and how it affects all of us. These crimes take money from your community. Many of these products are illegally copied; examples are movies, auto parts and medicines. The result is your community loses jobs and taxes. Your health is also at risk. Counterfeit goods such as prescription or OTC medications, electrical equipment and auto parts can endanger your health. Become educated on how to protect yourself from these crimes.
